DRAWING FASHION WITH PROCREATE

From classic fashion illustration to digital expression.

TRADITION AND EXPERIMENTATION, UNITED THROUGH GESTURE.

At Koefia, drawing is renewed through the language of digital media.

With Procreate, the tradition of fashion illustration meets the freedom of contemporary expression.

The iPad becomes a creative space where the hand does not forget, but reinvents itself.

Apple Pencil

The Digital Illustration with Procreate course offers a professional and intuitive approach to learning how to create fashion illustrations, moodboards and digital compositions with the same care as hand drawing.

An opportunity to start the new year by
giving shape to your digital talent.
